Change Your Life**

## Unleashing Leadership

---

**Personal experience:** *“I had a real sense of trepidation when I first attended Unleashing Leadership. Was I up to it? Could I really be a leader? I thought having the strength to lead others was to know everything, to dominate and control. You see, we’re all required to lead – whether a company, a team or just your family. We all need leadership skills but not many know how or feel good enough to step up to the mark ... I needn’t have worried...*

*I learned that real, effective, modern leadership takes a different kind of strength, one much scarier for some... the strength to give power away! Not many leaders are secure enough in themselves to step-up to the task. I wonder are you?*

*Unleashing Leadership gave me the clarity, confidence and tools to know what kind of leader I am and how to make a real difference in the world. I’ve now got great relationships with family, friends and colleagues”.*

***Become an informed, enlightened Self-Actualising leader who brings out the best in others.***

There are many different kinds of leaders. In advanced leadership training, one size does *not* fit all. We are all leaders; business leaders, thought leaders, action leaders, family leaders, transformational leaders, social leaders. What kind are you? And what’s the *quality* of your leadership?

To name just a few, are you a...

- Thought leader – visionary, ideological, functional, empowering?
- Emotional leader – charismatic, inspirational, synergistic, persuasive?
- Creative leader – innovative, facilitative, transformational?
- Behavioural leader – practical, equipping, heroic, performance leading?
- Social leader – managerial, collaborative, political, organisational?

If you’re considering this course, I’m assuming you’re not a...

- Toxic leader – a self-serving dictator, a prima-donna or a self-appointed guru?

This training will give you the skills to develop as an effective leader in every context of your life. You’ll develop a robust sense of your *leadership identity* and embody the skills and attitudes necessary to lead and inspire others. We then look at applying these skills and aptitudes in the broader arenas of leadership to create Self-Actualising families, companies, organisations and communities

If you want to make a real difference in the world, to create and inspire positive change – no matter where – then this is the transformative training that teaches you how. **Unleashing Leadership** is *the* essential training for ‘C suite’ executives, management professionals of all levels and all those involved in creating organisational and political change. It’s also the ideal course for teachers, community leaders, educators and family leaders.
